

StarTel National Users Group

Network, learn and brainstorm with other Startel call center users to help your business succeed.

About TEAM SNUG

Helping StarTel Users Succeed

Overview

Team SNUG is made up of industry leading Outsourcing call centers service providers and Health Systems utilizing Startel call center equipment. Our members, who range in size from 3 to 100+ seats, work together to help each other succeed. Our members are made up of people just like you, facing the same business challenges and opportunities.

Membership in SNUG provides the invaluable opportunity to network and brainstorm with other successful call centers.

Whether you are attending the annual meetings, conversing with other members by phone or on the SNUG email listserve, you will find that SNUG members are eager to share ideas that will help you succeed. If you would like to be the next SNUG success story...
