Hi Shames:

Everything seems to be working well. Thanks so much for your help today. Always a pleasure working with you.

Also, Chris wanted me to ask you for your new mailing address. He wanted to send you something.

Thanks,

Hi Shames:

Regarding Executive Services, I wanted to thank you so much for making the database conversion... I went very smoothly and April is now updating it as needed to get it ready for the cutover early in May. So far, so good... A couple of more dinners will be forthcoming next month. Promise :).

Thank you.

Sincerely,

Tom at MedCom

Shames,

Thanks for all your help the other day, everything worked out good after the board arrived at 9:30 pm EST. It went into service without too much trouble.
